Christianity Losing Fight For Survival...

"AND YE SHALL KNOW THE TRUTH AND THE TRUTH SHALL MAKE YOU FREE" John VIII. 32

(For nine years COMMON SENSE has persistently carried on its avowed purpose of exposing Marxism and educating the American public as to the dangers facing our beloved country. Every month of those nine years has been a struggle. The very ones who scream out for "tolerance" have come up with every obstacle possible. They've threatened the editor, raided the offices, set off four bombs, intimidated printers and linotypers, boasted of cutting off our paper supply and as a final "death-stroke" hope to have the U. S. Post Office finish the job for them by attempting to revoke our 2nd class mailing permit. The only conclusion is that we are a definite stumbling-block to the success of their operation. Millions of dollars have been spent by these traitors to keep the truth concealed. Millions of words have been written and spoken in an attempt to silence us. Never, have the facts we print been refuted. A blanket-smear is their only defense, name-calling the only method they know. Any person who is sincere in his effort to expose Communism, and who has studied the subject sufficiently to qualify him in this respect, cannot help but expose the Jewish element because the two are so closely interwoven. We are not responsible for this close association! Our exposure is motivated by the desire to uncover facts too long hidden. It is not based on a hatred for any particular race, or creed.

To those who have been aware of the menace of Marxism, such facts as contained in this article are common knowledge. However, in the interest of the sincere Americans who still do not know what Communism is and what its implications are, and to refute those who hysterically deny any relationship between Judaism and Marxism, a summary of the set-up is in order.

Questions invariably arise in the minds of those who are sufficiently concerned about this evil. Was Communism the result of deplorable living conditions among the Russian peasants? If so, why are conditions far worse? If its purpose was the betterment of the working classes in Russia, why has it spread all over the globe? Obviously, it is an Ideology to be put in effect on a world wide scale. Communism supposedly stands for, among other things, a re-distribution of wealth. Why is it then, that so many wealthy capitalists are involved? It is evident that Communism has not achieved its "altruistic" goal. What has it accomplished? It has murdered thousands of religious, enslaved millions of Christians, and placed in power hundreds of Jewish anti-Christian leaders. This, in view of the prominent part played by Jews in the formation of, and furtherance of this plan, can only lead to one conclusion.)

— MARXISM —

INSTRUMENT FOR JEWISH CONTROL
"THE ONE OBJECT OF ALL THE ACTIONS AND PRAYERS OF THE JEWS SHOULD BE TO DESTROY THE CHRISTIAN RELIGION." 1

The seeds of hatred for Christianity found in the Talmud, the Jewish Bible advanced to the embryonic stage in the mind of the Rabbi's son, Karl Marx, father of Marxism. Nurtured by Jewish dissatisfaction, the birth of this devilish plot to destroy Christianity was attended by such Jewish "midwives" as Trotsky, Zinoviev, Kamenev, and Sverdlov to name just a few.

The revolution of 1917 was not the first attempt to overthrow the government. Referring to the uprising of 1905, Mr. William E. Curtis reported in the National Geographic Magazine: "... Perhaps these reforms are the cause of the present tranquillity, because the revolutionary leaders nearly all belong to the Jewish Race and the most effective revolution agency is the Jewish Bund, which has its headquarters at Bialystock, where the massacre occurred last June. The Government (Russian) has suffered more from that Race than from all its other subjects combined. Where a desperate deed is committed it is always done by a Jew, and there is scarcely one loyal member of that race in the entire Empire."

"Krustaliff, President of the Working-men Council, a Jew, he managed the General strike throughout Russia."

"Maxin, who organized the Revolution in the Baltic is a Jew. Gernchunin, Leader of the Terrorists is a Jew. ... I might enumerate a hundred other Revolutionary leaders and every one of them would be a Jew." 2

REVOLUTIONS OF 1917

The fact that the revolutions in Russia were financed by Jewish money was made public in the N. Y. Times of Mar. 24, 1917 which reported the funds contributed by Jacob Schiff, of Kuhn, Loeb and Co. (Jewish Banking firm). The American Secret Service Report, published in 1920, and reprinted in "The Mystical Body of Christ in the Modern World" by Rev. Denis Fahey, (1935) which bore the Imprimature of the Catholic Church stated: "In the spring of 1917 Jacob Schiff began to supply funds to Trotsky to bring about the social revolution in Russia. The N. Y. Daily 'Forward', which is a Judaeo-Marxist organ, gave a subscription for the same purpose." The Jewish Communal

Register of N. Y. City, 1917-18, speaking of Jacob Schiff, said: "... (he) has always used his wealth and his influence in the best interests of his people. He financed the enemies of autocratic Russia. ..." (emphasis supplied)

And in Cholly Knickerbocker's column in the N. Y. Journal American, Feb. 3, 1949, we read: "Today it is estimated by Jacob's grandson, John Schiff, now national head of the Boy Scouts of America, and a prominent member of New York Society, that the old man sank about 20,000,000 dollars for the final triumph of Bolshevism in Russia." (Quoted in "World Dictatorship by 1955" by H. Cotter and R. De Roiste, page 12. (emphasis supplied) -

A report by the Netherland Minister at Petrograd, issued on Sept. 6, 1918, on the situation in Russia and presented British officials, reads in part, "... The foregoing report will indicate the extremely critical nature of the present situation. The danger is now so great that I feel it my duty to call the attention of the British and all other Governments to the fact that, if an end is not put to Bolshevism in Russia, at once the civilization of the whole world will be threatened. This is not an exaggeration but a sober matter of fact; ... I consider that the

immediate suppression of Bolshevism is the greatest issue now before the world, not even excluding the war which is still raging, and unless, as above stated, Bolshevism is nipped in the bud immediately, it is bound to spread in one form or another over Europe and the whole world, as it is organized and worked by Jews who have no nationality, and whose one object is to destroy for their own ends the existing order of things." (emphasis supplied)

Russia had two revolutions in the year 1917. The first occurred in March and as a result two governing bodies were formed and ruled the country for the next eight months. The Provisional Government of the Duma consisted of 12 members, the second body was the Petersburg Soviet, dominated by Menshevik and Bolshevik factions, two Jewish groups that differed only in the methods to be used for success. This regime paved the way for the October revolution. It was in the interim from March to October that Jewish money poured into Russia (after Jewish money had made the first revolution possible) and when the time was right, Lenin, Trotsky, Kamenev and others were brought back to Russia. Of the five top leaders in the October revolution, four were Jewish. The fifth, Lenin, was married to a Jewess and some doubt has been expressed as to whether or not he was Jewish.

Of the 165 Revolutionaries sent in to Russia in a sealed train via Germany in 1917, no less than 128 were Jews, mostly from New York. 3

The three main groups functioning at the time of the assassination of the Imperial Family were:

The Central Committee — out of 62 members, 41 were Jews.

The Extraordinary Commission — out of 36 members, 23 were Jews.

The Council of Commissars — out of 22 members, 17 were Jews. 4

The American Secret Service Report, mentioned above, also gave a list of the men who took over the direction of the Russian people in 1917. Of the top 25, 24 were Jewish!

According to official information from Russia, in 1920, out of 545 members of the Bolshevik Administration, 447 were Jews. The U. S. Senate Overman Report, 1919, stated that the first central Bolshevik Government in Russia consisted of one American Negro, 16 Russians, and 371 Jews. 5

In G. K.'s Weekly, London, Feb. 4, 1937, Hilaire Belloc wrote: "As for anyone who does not know that the present revolutionary Bolshevik movement is Jewish in Russia, I can only say that he must be a man who is taken in by the suppressions of our deplorable Press." And "The American Hebrew", one of the oldest Jewish newspapers in the country, frankly admitted on Sept. 10, 1920: "The Bolshevik revolution in Russia was the work of Jewish brains, of Jewish dissatisfaction, of Jewish planning, whose goal is to create a new order in the world. What was performed in so excellent a way in Russia, thanks to Jewish brains, and because of Jewish dissatisfaction and by Jewish planning, shall

also, through the same Jewish mental and physical forces, *become a reality all over the world.*" (emphasis supplied)

EXTERMINATE ANTI-SEMITES!

Who can dispute these facts? Who can fail to see the significance Marxism assumes when viewed in this respect? A controlled press has concealed the truth extremely well. When one dares to reveal the "WHO" behind Communism, he is immediately ridiculed, smeared and/or threatened. He is branded un-American, anti-Semitic, a bigot, and any other derogatory term which can be utilized to successfully destroy any opposition to, or publication of, their sinister plan. That the Jews intend to insure silence regarding their activities can be seen in an article which appeared in *The American Hebrew*, Mar. 1, 1946, under the sub-heading: "Exterminate Anti-Semitic Termites As Our Ancestors Did 2,500 Years Ago." The article concludes with these words: "American Jews too must come to grips with our contemporary anti-Semites. We must fill our jails with anti-Semitic gangsters," (Ed. note — The ADL boasted about sending Joe Kamp to prison) "we must fill our insane asylums with anti-Semitic lunatics," (Ed. note — much promotional work is now being done, especially in California, to subtly instill the impression that "anti-Semitism" is a sign of a mental disorder!) "we must combat every alien Jew-hater, we must harass and prosecute our Jew baiters to the extreme limits of the laws" (Ed. note — hence, the "libel" suits, threats of violence, stoppage of paper supplies, etc.) "we must humble and shame our anti-Semitic hoodlums to such an extent that none will wish to dare become 'fellow-travelers.'" (emphasis supplied)

But, perhaps, we should not deem the term "anti-Semitic" uncomplimentary. Those considered such appear to be in very good company. In "The Republic of Israel," (Oct. 1950) page 10, the Zionist Jew, Joseph Dunner writes: "To Christians of all denominations Jesus is the symbol of all that is pure, sacred, and lovely. To Jews from the fourth century, *Jesus became the symbol of anti-Semitism, of libel, of cruelty, of violent death.*" (emphasis supplied)

THE HUNGARIAN REVOLUTION

In the spring of 1919, Hungary also had a Communist Revolution. The leader was Bela Kun (Cohen), a Jew who had taken part in the Bolshevik Revolution in Russia. During his short reign of three months, 30 thousand people were brutally murdered. Again, we find the revolution instigated by Jewish elements and important governmental positions filled by Jews. The "New International Year Book of 1919" (Dodd, Mead, Co., page 587) reports: "One of the chief weaknesses in the new regime was antipathy to the Jews. In the country districts the feeling was widespread that the revolution *had been a movement on the part of the Jews to seize the power for themselves, and the remark was frequently heard that if the Jews of Budapest died of starvation, so much the better for the rest of the country. The government of Bela Kun was composed almost exclusively of Jews who held also the administrative offices.*" (emphasis supplied)

JEWS IN THE SOVIET UNION

All reports indicate that Jews in the Soviet maintained an enviable position. Which, of course, is to be expected. The "Jewish Chronicle", London, Feb. 18, 1921, stated: "The Bolshevik commissariat for Arts has restored the Most Beautiful Theatre in Moscow to make it suitable to Jewish dramatic art. The expense amounts to several million rubles." And in 1922, the "Jewish World", London (Aug. 18) reported: "Business is gaining in Russia, and with the new regime Jews are promptly becoming the captains of industry. . . ." (emphasis supplied)

Louis Fisher, in the New York Jewish Tribune, Jan. 18, 1924, commented: "If bolsheviks are to be judged from what the Jews have gained with them in the realm of instruction, the verdict is certainly in their favor. Jewish children by tens of thousands attend official public schools where Yiddish is now the language of teaching. . . . The Government has established special Jewish pedagogic seminaries where school-teachers are trained to give instruction in Yiddish in the Jewish schools."

Thousands of priests and ministers were killed, millions of people reduced to slavery, churches closed, but Jewish writers and periodicals continued to reveal the high standards and conditions of their fellowmen.

"Under the Soviet regime, we have never been subjected to any persecution for our religious convictions. We consider it our duty categorically to declare that in the USSR no rabbi has ever been threatened with the sentence of death or any other severe punishment, nor is any at the moment so threatened." (From a Manifesto signed by Chief Rabbi Gluskin of Minsk, Rabbis Zimbalist, Mazel, Gabrielow, Kerschtein and Jarco on Feb. 24, 1930).

"The Jewish Chronicle", London, Jan. 6, 1933: "More than one third of all Jews in Russia have become Soviet officials." (emphasis supplied). Also, in the same issue: "Anti-Semitism in Russia is now classed as counter-revolutionary and is punishable by death."

The Central Committee of the Communist Party in Moscow in 1936 consisted of 59 members, 56 of whom were Jews; the remaining three were married to Jews. Of the 17 Bolshevik ambassadors in 1935-36, 14 were Jews.

"SEIZE INDUSTRIES"

World Jewry was undoubtedly encouraged by its success in overthrowing the government of Russia and enslaving the Russian "goy" (for those not familiar with Talmudic terms, the Gentile or Christian — is classed as "cattle" or "goy".) So much so, that James Waterman Wise, (son of Rabbi Stephen Wise) speaking from the pulpit of the Free Synagogue, in N. Y. Jan. 28, 1934, on "The Rising Tide — Will it Overwhelm Us?", threatened: "What we Jews must do is to set our faces as flint against Fascism, against any form whatsoever. Our next step to be taken as soon as ever it is possible, must be to seize, in the interest of the workers, *all the nation's industries, and let nothing whatsoever stand in our way, even should we have to use violence.*" (emphasis supplied)

The Protocols state: "When we at last definitely come into our kingdom by the aid of coups d'etat prepared everywhere for one and the same day, (after the worthlessness of all existing forms of government has been acknowledged (and not a little time will pass before that comes about, perhaps even a whole century), we shall make it our task to see that against us such things as plots shall no longer exist. With this purpose *we shall slay without mercy all who take arms (in hand) to oppose our coming into our kingdom.*" (emphasis supplied) (Could be James Waterman Wise was familiar with these "filthy forgeries"?)

LENIN AND STALIN

As though grasping at a straw, those who wish to deceive the public and deny that Communism is Jewish, usually point to Lenin, a Christian, as having been the leader in Russia. There is much doubt about Lenin's background. Some writers claim that he was of Jewish ancestry. We read: "Lenin was married to a Jewess, spoke Yiddish in his family circle, and Dr. Chaim Weizmann, Jewish Zionist leader, was quoted in the London Jewish Chronicle of Dec. 16, 1932, as saying that Lenin had taken part in Jewish student meetings in Switzerland thirty-five years before. He is generally regarded as a Russian but there is doubt." 6

According to an account in "The Masonstvo", a book written in Russian by Gregory Bostunov and published in Yugoslavia in 1922, Lenin was the son of Haym Goldman. As a child, the book relates, Lenin was adopted by a prominent family whose name was Ulyanov. He was baptized Vladimir at the time of his adoption and at a later date chose the name Lenin.

Although it has been said that Stalin professed Christianity and had once studied for the priesthood, questions have been raised as to whether or not he was a Gentile.

"Four distinct sources reveal that Stalin is a Jew. These are:

(1) The Los Angeles Jewish B'nai B'rith Messenger, Mar. 3, 1950, which wrote: 'A former Soviet General claims that Joseph Stalin is of Jewish ancestry.'

(2) A captain in the Tsar's Army (now fled to the West) who knew Stalin as a boy, states that Stalin's father, by name of Djugashvili was a Jewish cobbler.

(3) On page 14 of his book, "The Life of Stalin", Iman Ragusa states that Stalin's maternal grandfather was a 'Jew junk-peddler'.

(4) On page 8 of the 1951 book, "Soviet

Staff Officer" by Ivan Krylov, there appears the following quotation: 'Stalin's name, Djugashvili, means 'son of the Israelite' in Georgian. 'Shvili' means 'son', and 'djuga' means 'Israelite'. The Djugashvili family, orthodox Christians, were descended from Jewish mountain tribes in the Caucasus converted to Christianity at the beginning of the nineteenth century'. 7

And while it does not prove or disprove his ancestral background, the fact that Stalin's third wife was the Jewess, Rosa Kaganovitch, sister of top ranking politburo member, Lazar Kaganovitch, makes the charges of his "anti-Semitism" appear ridiculous. It is interesting to note that Svetlana, Stalin's daughter by his second wife, is married to Kaganovitch's son, and his son, Vasili, was married to the half-Jewish daughter of Molotov.

RUSSIAN "ANTI-SEMITISM"

From time to time, those who are mislead, or those who wish to mislead, refer to anti-Semitism in Russia. We are convinced that there is a great antipathy for the Jews in the Soviet . . . on the part of the real Russian people, those who have been enslaved by the Jewish Marxists. Taking our cue from Jewish sources, however, there is nothing to indicate such feelings on the part of Communist leaders. The London Jewish Chronicle, Aug. 16, 1946, quoted the Jewess, Miss Wesker as follows: "Jews themselves are playing an important part in national reconstruction. I found that synagogues are being put up before houses . . .". And in the American Jewish Examiner of Sept. 6, 1946 we read: "Fresh from a four year sojourn in Moscow, where he played an active part in the Jewish community and freely associated with leading Jewish and non-Jewish personalities in the upper level of the Soviet hierarchy, Rabbi Sorotchkin, chairman of the Jerusalem Council of Yeshivat, informs us that Moscow has a Jewish population of 250,000 — today the largest Jewish community in Europe — and that they have four large synagogues."

The Jewish Chronicle, July 2, 1948, quoted Dr. Moshe Sneh, Jewish leader: "Every Jew knew in his heart who was his greatest and most consistent friend — the Soviet Republic." (emphasis supplied)

And from the May, 1950 issue of the London Jewish Clarion: "We've been having increasing doses of propaganda, lately, about 'anti-Semitism' in the Soviet Union. . . . The propaganda is, of course, false. And day by day, almost, there comes fresh evidence that Jews play an honoured part in the life of the peoples of the U.S.S.R. Recently, for instance, the Soviet Government announced the Stalin prize winners for 1950. The prizes are each worth up to 200,000 rubles, and are awarded for outstanding contributions to science, industrial development and various fields of culture, and *there are literally hundreds of Jews in the latest prize lists.*" (emphasis supplied)

The "People's World", Feb. 18, 1953, quoted Cleveland's noted Rabbi Abba Hillel Silver as saying: "There is no evidence which I have that the Soviet Union is launched on an all-out anti-Semitic policy."

Sorry, but in view of what the Jews themselves have said, we just can't go along with the so-called anti-Semitism. The reports of "purging" and the quite recent hysterical condemnation of Russia's anti-Semitism by the A.D.L. are confusing to the average reader. That is exactly what is intended. A confused public is an easily manipulated group. (Referring to the part played by the Press in achieving the final goal of world domination, the Protocols state: "Thanks to such methods (control of the Press) . . . we shall be in a position as from time to time may be required, to excite or to tranquillise the public mind on political questions, to persuade or to confuse, printing now truth, now lies, facts or their contradictions, according as they may be well or ill received, always very cautiously feeling our ground before stepping upon it . . .". (emphasis supplied)

The exposure of the atom spies, members of Red and Red-front organizations, and subversives in our Government has resulted in making many more people aware of, or at least wonder about, the majority of Jews unearthed in the course of investigations. To counteract the increasingly obvious relationship between Jews and Communism, certain tactics had to be employed. Publicizing the "purges" in Communist countries as evidence of anti-Semitism was pitifully ineffective. For example, purges in Hun-

gary in 1951 were carried out by a Polish Jew, Bela Szanto. Prof. E. Varga, a Jew, was in charge of the purges of 1952 and 1953 in Hungary. And in Roumania, the Jewess, Ana Pauker, was removed from power. This act was reported as "proof" of the Reds' anti-Semitism. However, the man responsible for the purging was A. I. Lavrentiev, a Jew, and the two men placed in power were S. Bughici as Foreign Minister, and I. Chisinevski as Dictator of Roumania, (both Jews!) Naturally, only part of the story was publicized. Recently, a friend of COMMON SENSE went on a special mission behind the Iron Curtain and found out for himself that Ana Pauker is still the actual dictator of Roumania but from behind-the-scenes.

The Prague Trials of Jews in Nov. 1952 followed just about the same pattern. 12 Jews were tried for numerous charges and allegedly executed. Again, it was the Jew, Lavrentiev who ordered the trials. The Minister of Justice during the trial was the Jew, Dr. Stefan Rais and after the purges, the N. Y. Times of Nov. 30, 1952, admitted that at least seven Jews remained in key positions in the Czechoslovakian Government!

Quite obviously, such "evidence" of anti-Semitism is rather flimsy. Were the Jews who took part in the purges anti-Semitic? Are the Jews who replaced those ousted from power (if they really were) to be considered guilty of anti-Semitism!

In a dramatic, rather desperate attempt to discredit those who dare to utter the words "Jew" and "Marxist" in the same sentence, the A.D.L. is now painting a gory picture of programs, mass-murders and persecution of the Jewish people by the Communists. The predominance of Jews in important positions in Russia, and Communist-dominated countries is so great that if what the A.D.L. claims is true, Communism would collapse and would no longer be a menace to the free peoples of the world.

PUBLICATIONS

The more information that is gathered, the more ridiculous do these charges of "anti-Semitism" become. The persecution of the Jews is so pronounced that there are several Communist papers printed in Yiddish for their convenience! For example, in N. Y. there is *The Morning Freiheit*, which reportedly has a larger circulation than the Daily Worker. Other Communist publications in Yiddish are: *La Presse Nouvelle* (France); *Volkstimme*, a bi-weekly paper, *Oifgang*, a Communist Youth monthly, *Yiddishe Shriften*, a literary monthly, (these three are published in Poland. There is also a Yiddish Publishing House controlled by David Sfar in which only Communist Books in Yiddish are published.) To its "persecuted" Jews, Roumania offers a Yiddish publishing house in addition to two Communist papers in the Yiddish language, *Viata Noua* and *Ikuf Bletter*. In Czechoslovakia, there is the paper, *Vestnik*. And *Yevreyski Vesti* is the Yiddish-language Communist paper published in Bulgaria.

Unfortunately, we cannot afford the space necessary for a listing of periodicals of an outright Communist nature or those that follow the Marxist line. The percentage of these which are owned or edited by Jews is an indictment in itself. To name just a few — The Daily Worker, Masses and Millstream, N. Y. Post, People's World, Jewish Life and The Progressive. Also included, The Reporter, National Guardian, Monthly Review, Political Affairs, Socialist Call and Science and Society.

At this point, the unsuspecting reader could raise the question of the various Jewish writers and commentators who appear to be anti-Communist. With apologies to any in this category who are sincere, we would like to point out that their supposed aversion for communism is superficial. For the most part, although "fiercely opposing" Communism one finds them on the same side of the fence with the Daily Worker on controversial issues. The incongruity is due, in some instances to the aforementioned design of creating confusion and beclouding the real issue, in other cases it is due to the disparity between the two factions of the Communist party. To understand the latter explanation, it must be noted that, just as there were two schools of thought, or two "parties" at the time of the revolution, so also in later years, there arose differences of opinion. The two groups are commonly known as the Stalinists and the Trotskyites. Many of the seemingly anti-Communists of today are actually of the Trotskyite

school. But, it must be remembered, while they differed with the former regime of Stalin, or with the present regime of Malenkov, they do not oppose Marxism 'per se'. An example of this would be one who denounces the political party in power in this country because he does not agree with its platform. In so doing, he is not necessarily denouncing our form of government or the fundamental principles on which our country was founded.

The A.D.L.'s furious assertions of Communist anti-Semitism was preceded by a news item pertaining to conditions of the Jews in Communist China. The article which appeared in the "National Jewish Post" of Aug. 27, 1954 (a few short weeks before the "anti-Semitic charges") was captioned, "Chinese Red Regime Portrayed 'Sympathetic, Helpful' to Jews". The article stated in part, "... According to the Jewish Chronicle of London, the report said that the Chinese government had released blocked funds, waived taxes of Jews in Harbin, allotted flour for matzo's, reduced taxes on several communal properties in Shanghai, and taken unsolicited action to protect a Jewish cemetery." This is anti-Semitism?

Those best informed on the subject of Marxism, feel that, undoubtedly, there is friction and disagreement in the upper echelons of the Party. It is quite possible that the Gentile Communists and the Jewish Communists who are not particularly Zionists have finally become aware of many of the motivating factors behind the Marxist ideology. On the one hand, there were and are those who accepted Communism as a result either of mistaken idealism or of a brutal lust for power; on the other hand, Marxism was, and is, an effective means to an end, a Zionist camouflage the success of which would culminate in the fulfillment of the plan set forth in The Protocols of the Elders of Zion. The objective of the first group is world domination with a world capitol in Moscow; the second group (apparently the controlling factor in the past) aims at enslavement of the Christian world and establishment of the capitol in Israel.

— ISRAEL —

FUTURE CAPITOL OF THE WORLD?

The Talmud, The Protocols of Zion and many Jewish writers reveal the objectives of the Jewish people. They consider themselves "the chosen people" who "shall inherit the earth". They refer to their "King" who will be of the House of David and will rule the world and all Christians.

Before continuing, may we insert some remarks on the Protocols? This "formula of action," set down by the Jews as the means to be used to achieve their purpose of world-wide dominance, is so damning that the Jews hysterically scream out "forgery" and attempt to completely discredit its authenticity. So far as we can see, one publication after another merely repeats the one word denunciation — "forgery". What was contained in the authentic copy if this is a forgery? The Jewish press constantly refers to the Berne trial (1937) as "proof" of fact that the Protocols are false documents. What it neglects to add is that the decision of the court was reversed in favor of the group who had been distributing the Protocols. Whatever is said regarding these writings dims in light of present conditions. *The majority of the plans set forth in the Protocols have, to a great extent, been carried out!*

Israel is geographically significant, located at the very center of the globe. It is financially significant because of the unlimited quantities of necessary chemicals obtainable in the Dead Sea. The establishment of a Jewish State in such an advantageous position is significant in view of "The Messianic dream". In syrupy terms, the State of Israel is described by Jeremiah Ben-Jacob ("The Rise of Israel", page 176) as a means of contributing to peace and reconstruction. Statements such as these assume greater proportions when one reads that the Jews look to world peace when the Jewish King is proclaimed as "Lord of the World".

The Jewish World, Feb. 9, 1883 stated: "The great ideal of Judaism is . . . that the whole world shall be imbued with Jewish teachings, and that in a Universal Brotherhood of Nations — a greater Judaism in fact — all the separate races and religions shall disappear." (emphasis supplied) 8

La Revue de Paris of June 1, 1928 quoted a letter from Baruch Levi to Karl Marx, as follows:

"In this new organization, the sons of Israel will everywhere without opposition become the directing element, particularly if they can succeed in imposing upon the masses of the workers the leadership of some of their number . . . the governments of the nations forming the Universal Republic will thus pass without effort into their hands under the cover of the victory of the proletariat. Thus will be realized the promise of the Talmud that when the times of the Messiah come the Jews will hold under their keys the property of all the peoples of the world." (emphasis supplied) 9

To emphasize the danger of this plot against the Gentile world (for those who think this phrasing smacks of the dramatic, we merely ask, what else can it be called?) we add a statement by Pope Benedict XV, made on July 25, 1920, wherein he warned against "... the advent of a Universal Republic which is longed for by all the worst elements of disorder, and confidently expected by them." 10

It is obvious that the Jews are not merely seeking a homeland as such. David Ben-Gurion was quoted in the Jewish Chronicle, Dec. 16, 1949, as saying: "Jerusalem is not the capital of Israel and world Jewry; it aspires to become the spiritual centre of the world as envisaged by the Prophets." (emphasis supplied) 11

THE U. N. — JEWISH IDEAL

The justifiable fear of Communism, and the atom and hydrogen bombs, has set the stage for the establishment of a new, global form of government — a "Super Government" as outlined in the Protocols. The United Nations has done a great deal toward the realization of such a government and has succeeded in furthering the objectives of the Jewish people. It has weakened the sovereignty of individual nations; it has placed Jews in high positions of World Government. It is not surprising that Prime Minister Ben Gurion called the United Nation's ideal a "Jewish ideal".

The U.N., viewed in the light of avowed aims of the Jews and its present format, is a dangerous threat that cannot be ignored. On page 58 of "World Dictatorship by 1955?", we read:

"United Nations to own all. Yet another distinct but yet more camouflaged international trend is the inspired suggestion that all colonial — and indeed national — property belongs to the United Nations. The relevant extract from the Talmud (Schulchan Aruch, Choszen Hamispat 348) is as follows: 'All property of other nations belongs to the Jewish nation, which consequently is entitled to seize upon it without any scruples.' (emphasis supplied)

The systematic, painstaking preparations and the devious methods utilized have resulted in a situation that is frightening and dangerous to that part of the Christian world which still remains comparatively free. Marxism proved to be a useful instrument for the enslavement of millions of Christians. The three wars in the past forty years have taken their toll of the manpower and resources of several countries and have conditioned the people to ready acceptance of a world organization which will assure lasting peace. While these plans were being set in motion, world Jewry was entrenching itself in finance, industry, government and other fields. Just a few moments of meditation on the situation in our own country will bear this out. Who controls the banking firms? All media of communication — the press, radio, movies and television? What group of people have attained top positions in government agencies? Who boast of the influence exerted over both political parties?

The devilry of these people cannot be overestimated. To achieve their goal, they are not adverse to sacrificing their own. They themselves have fanned the fires of anti-Semitism, thereby accomplishing a two-fold purpose. By so doing, the Jewish leaders are assured of organized support from millions of Jews, many of whom we believe are unaware of the all-over plan. Secondly, the constant emphasizing of "brotherhood" (another effective tool), and repeated references to "anti-Semitism" provide a smokescreen to deceive the naive Gentile. The result is that any attempt to expose these forces can be blocked by merely terming such efforts "anti-Semitic".

JUDAISM VS. CHRISTIANITY?

... the only true path to follow to gain real peace and honest Government is through Judaism, and the Jewish people can and will lead the people to lasting peace.

The promise of Jehovah for the Jewish people to rule the world, and for the Jews to hold high places in World Government has arrived.

Today, the Gentile Christians who claim of Holy right, have been led in the wrong path. We, of the Jewish faith, have tried for centuries to teach the Gentiles a Christ never existed, and that the story of the Virgin and of Christ is, and always has been, a fictitious lie.

In the near future, when the Jewish people take over the rule of the United States, legally under God Jehovah, we will create a new education system proving that Jehovah is the only one to follow, and proving that Christ story is a fake. We shall arrange a plan for Christian clergymen to enter a field of useful endeavor, they will have a choice of a profession or a business; Christianity will be abolished. . . .

The Jewish people now control the money system as well as the economic system . . . The Jews shall see that a Jewish President is elected. . . .

Yours in fellowship,

Some time ago, we published a series of articles on the Revised Standard Version of the Bible, sponsored by the National Council of Churches. Some of the men responsible for this translation had been connected with Red or Red front organizations. The new translation seemed to be aimed at destroying the divinity of Christ, upon which all Christianity is based. Several ministers pooh-poohed this idea of a subtle anti-Christian influence. However, the relevant portions of the above letter, and our own contentions have been proved by the Jewish author, Chaim Lieberman, in his book, "The Christianity of Sholem Asch".

We quote from Mr. Lieberman's book: "The Revised Standard Version of the Holy Bible, sponsored by the National Council of the Churches of Christ in the United States of America, and published in 1952, has changed the word 'virgin' to 'young woman' in the much disputed verse in Isaiah. Thus an eminent group of Christian scholars at long last have bowed to the truth and yielded to the Jewish point of view." Mr. Lieberman contends that Christian moderns are "slowly but surely yielding" to the Jewish translation and abandoning "the notion that their saviour is virgin born." (emphasis supplied)

The gradual breakdown of positive Christian beliefs and practices is being accomplished in the same subtle manner which has succeeded so well in the past. Much to our disgrace, either through ignorance or apathy, very little resistance has been offered. The powerful influence of Jewish organizations has resulted in the deletion of the name, "Jesus", in school prayers, the removal of the Bible in some public schools and the de-Christianizing of Christmas plays and pageants. We are constantly being exposed to the overwhelming need for "tolerance" by means of the newspapers, magazines, movies and even "TV" jingles. Quite obviously, the purpose is the undermining of Christianity.

It appears that the picture is almost finished. Only a few more pieces must be put in place to complete the giant "jig-saw puzzle", masterminded by Jewish, atheistic forces. The \$64 question is — shall we just apathetically allow this to happen, or are we going to DO SOMETHING ABOUT IT?

SOLUTION (?)

Very often we receive letters from readers who are aware of the world situation and extremely alarmed about it, but are at a loss as to the best means of combatting the threat of anti-Christian Marxism. For those who cherish

their religion, their freedom and their very existence, may we make a few suggestions:

(1) We feel that the most basic principle is to have "our own house in order". If we are to preserve Christianity, we must practice it to the best of our ability. We cannot advocate hatred for any individual or any group. . . . But, we do have the responsibility to expose and take the necessary action against anti-Christian forces.

(2) Keep informed as to what is happening in your schools, labor unions, the theatre, government, etc. These are hiding places for subtle and deadly influences.

(3) Do not allow yourself to be apathetic. There just aren't enough "Georges" in the world to do the job. As Edmund Burke said: "All that is necessary for the triumph of evil is that good men do nothing". Let yourself be heard in Washington, PTA groups, labor unions. Get behind those pitifully few in public office who dare to fight for America. It will mean sacrificing your spare time, perhaps, and on some occasions require a certain amount of courage but if Christianity and the American way of life are important to us, they are certainly worth extra effort.

(4) Help us to inform others and to keep exposing America's traitors. A vast amount of information of vital importance comes into our office weekly. Because of extremely inadequate funds, we can neither increase the size of our paper, nor publish more frequently than we do now. As a result, on many issues, we can only skim the surface, and still others never reach the public. Even with our present set-up, with much of our work being done by volunteers, the cost involved in publishing CS isn't nearly covered by the subscription rate. We have no desire to make a profit, but we do need help — badly. What is the future of America and the future of your children worth to you? Will you help by sending whatever you can to enable us to continue publishing the truth?

ARE WE A "HATE" GROUP?

Yes—we hate communism sufficient to cause us to expose those who cleverly promote it regardless of who they are or how they squirm or protest. Watch for next issue of Common Sense in which we will expose the Marxist plot to use the Un-American Activities Committee to smear Christian Americans who oppose communism. In the meantime, we thank our enemies for this flood of new subscribers."

THE HOLLYWOOD CORNER

EDDIE CANTOR (Israel Iskowitz), Jew

Eddie Cantor, whose recent protege is no other than Eddie Fisher, is commonly known as one of the leftist leaders in Hollywood. In the past few years he has been more prudent in having his name attached to Communist letterheads. However, up to that time he had the following listings with Communist Fronts: Speaker for the Giant Mass Meeting along with Larry Adler, Paul Robeson, and Maurice Schwartz honoring the Red Army and Soviets; sponsor of the Hollywood Anti-Nazi League; sponsor for the Hollywood League For Democratic Action; Committee Sponsor for the American Committee For Yugoslav Relief; on the Initiating Committee of the Arts, Sciences and Professions; and signed a cablegram to Joseph Stalin Nov. 16, 1944.
